

Collective Worship and Assemblies.

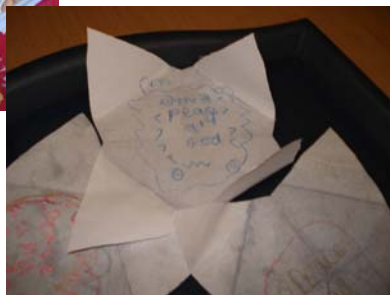

The children at St Peter's school have an act of worship or assembly every day. These take place in the hall, the class room, the church.

Or in the playground!

These Year 2 children are watching the peace lilies to open to see what message it holds.

We also welcome a wide variety of visitors to speak at these occasions.

The themes for our worship focus on the values we need to live good Christian lives and link with the SEAL themes for each term.
