

2 February 2009

Dear Parent/Carer/Guardian

### **School Closures**

During periods of severe weather such as heavy snow or flooding or due to other circumstances beyond our control we may need to close the school at short notice.

If we need to close the school we will you know through the following channels.

- The Worcestershire Hub web site: [www.worcestershire.gov.uk](http://www.worcestershire.gov.uk). You will find the information on the special alerts sections on the home page. This will also have all other relevant information such as road closures.
- We will also inform the local radio stations listed below.
- You can also call the Worcestershire Hub on 01905 765765

We will obviously do everything we can to keep the school open and will only make the decision to close the school if we have no other choice and there are serious health and safety issues.

Yours sincerely

Tracey O’Keeffe-Pullan  
**Headteacher**
